30 minute love affair  
All in the blink of an eye  
There you were standing there  
I heard an angel cry  
Runaway lover  
I soon discovered  
It was best when we left it  
I'll never forget it  
Our 30 minute love affair

The city lead me out one night  
Through lonely streets and neon light  
Searching  
Again  
I met a stranger singing songs  
Sat in that doorway I belonged  
With him  
Just talking.

He was so beautiful there in my dreams  
I left my heart and my memories

30 minute love affair  
All in the blink of an eye  
There you were standing there  
I heard an angel cry  
Runaway lover  
I soon discovered  
It was best when we left it  
I'll never forget it  
Our 30 minute love affair

He told me he'd be there tomorrow  
I knew where he led I would follow  
I flew  
And he knew  
When I went back he had disappeared  
My hopeful smile had turned to tears  
Let down  
No sight nor sound

Sometimes it's better just to let them go  
Cause your illusion's more than what you could know.

30 minute love affair

All in the blink of an eye  
There you were standing there  
I heard an angel cry  
Runaway lover  
I soon discovered  
It was best when we left it  
I'll never forget it  
Our 30 minute love affair

Falling from the sky for him I'll never  
Regret it  
He took my breath away  
And although it was the shortest time  
I'll never forget it  
He gave me such a beautiful lie  
Oh my

30 minute love affair  
All in the blink of an eye  
There you were standing there  
I heard an angel cry  
Runaway lover  
I soon discovered  
It was best when we left it  
Now I'll never forget it  
It was best when we left it  
Now I'll never forget it  
Our 30 minute love affair

30 minute love affair  
Our 30 minute love affair.
