Press lightly on me  
It's been so long since I had that feeling  
Unfamiliar territory  
I forget what  
What I can feel  
I'm alone again  
Loving myself again  
Caught in the prison of solitary  
Behind metal bars  
Longing to see  
Drifting down  
There's no ground  
Who will hold me?

Press lightly on me  
I'm a stranger to touch  
Touch me tenderly  
It's all imaginary  
When I open my eyes  
The room seems empty  
I'm alone again  
Loving myself again  
Dinner for one and a glass full of fun  
I ask these four walls  
If they hear me  
There's no sound  
I'm lost not found  
Who will hold me?

I ask the dust  
I look out the window  
Can't find the answers  
To what I don't know  
Where will I find it?  
What do I say?  
Sit with me lovely just for a day  
I'm alone again  
Loving myself again  
Sleepless nights  
By candle light  
Is this my dream?

I open my eyes  
But this is too real  
I'm still alone  
My soul is stone  
Who will hold me?  
Who will hold me?

Is somebody out there?  
I'm alone again  
Ooh  
Won't you  
Tell me won't you  
Won't you press lightly on me
