Day by day
I close my eyes
I open
Trivial words mean nothing
There's nothing around me
My name is no one

Killed conscience
It's ressurected

There's so many ways
Nowhere they lead
I'm on the start again
I carry the weight of my world

Oh, it's so pathetic
So embarrassing

Amusing are words which I use
Pitiful are deeds which I do
Plaintive flame still sparkling
I carry the cross which is not given to me

Day by day
I close my eyes
I open
I go against the world
I search for keys and questions
To which answers I know

Oh, it's so lofty
So conceited

Amusing are words which I use
Pitiful are deeds wich I do
Plaintive flame still sparkling
I carry the cross which is not given to me

Tomorrow will bring the new
Tomorrow will be better
I close my eyes
I open

Nothing has changed
