With brittle exertion
Of innocent lies
He lays down the rules
And the face of destiny
And as he gives himself airs again
A sudden betrayal of those forgotten
Can strike him down

For never fulfilled
Promises and filthy seals
The eye passage entry
To another false chance
To another disgrace

Made to be believed
Thorned inside
Made to be believed

Wounds increase with every hit
Of grotesque hero
The supposed directives
Make me an absolute zero

I've tried to find
Another god
To live down
All my shame

Vacuum urgency
Of spine-dry flesh
Thurst me in madness
Again

Sadism of mercenary provocation
With all these ancient gods
No regard – my withered world
Dwell on – clear mind
But broken bones

Made to be believed
Thorned inside
Made to be believed
