What's gonna happen  
What's gonna happen  
To all of the lost souls  
And we don't know until we grow  
And all the times you've spent writing lines  
You've never looked back  
You never look back  
To where we're going  
Life is growing

And we've lost ourselves  
To the great unknown

We dance like fire when we suck eachothers blood.  
Yes we've lost ourselves

So if you've got all the tools to whore out your views in  
the media too, man  
Then tell me why you lose  
And we don't know until we grow  
Stop...  
Going 'round in circles like you owe it to the earth for  
something more than just a place that you will die

And we've lost ourselves  
To the great unknown

We dance like fire when we suck eachothers blood.

Yes we've lost ourselves

Come inside, come as you are  
Come inside, come as you are  
We march on and on, on and on, on and on, on and on  
till we see this through.  
Come inside, come as you are  
Come inside, come as you are  
We march on and on, on and on, on and on, and on  
and on till we see this through.  
Come inside, come as you are  
Come inside, come as you are  
Come inside, come as you are

We march on and on, and on and on, and on and on  
and on untill we see this through.  
Come inside, come as you are  
Come inside, come as you are  
Come inside, come as you are

We've lost ourselves  
To the great unknown

We dance like fire when we suck eachothers blood.  
Yes we've lost ourselves
