A plus baby!

ooooo

i see you drew

yeaa oh o oh oh oh

LETS GET IT STARTED!

(chorus)

lets kick it all all right right right

im im im dancin for my life life life

lets kick it all right right right

im im im dancin for my life life life

lets kick it all right right right

im im im dancin for my life life life life

now now now i started dancing im feeling the vibe

i'll tell you how im feeling while its still in my mind

shock wave through your body that you feel in your spine

killer rhymes help fill in while im spilling my mind like

one time are you down for that

see i really want to know

were the dance is at

you know are rhythem make are bodys want to answer that

and this dance can expand to our hands and clap so

get it pop it like you dance alot and let it drop to the feeling were your hands will

pop

now while your heads starts rocking to the jams i drop or feeling not ooh yeah

like

life is dance we dance for life

the stage the bands the fans the lights oh

when you tell me

you better answer right

'cause baby theres lights were gonna dance tonight like

(chorus)

lets kick it all all right right right

im im im dancing for my life life life

lets kick it all right right right

im im im dancing for my life life life

lets kick it all right right right

im im im dancing for my life life life life

mmm yeah

dancing for my life
