[Chorus]

Can't believe how beautiful you are
Everytime i hear your divine voice
My heart beats so fast
I live in an amazing world I feel
Myself at the top of clouds
Like an angel in a wide cotton

[Part 1]

Girl come along next to me
I don't see any part of you
But when i smell your perfume
I start actin like a fool
You're my heart

[Chorus]

Can't believe how beautiful you are
Everytime i hear your divine voice
My heart beats so fast
I live in an amazing world I feel
Myself at the top of clouds
Like an angel in a wide cotton

[Part 2]

Birds Chirping we are sittin here
together over a river
Make love 'till dawn
You can't be suprised
I'd be your man 'till death

[Chorus]

Can't believe how beautiful you are
Everytime i hear your divine voice
My heart beats so fast
I live in an amazing world I feel
Myself at the top of clouds
Like an angel in a wide cotton

[Verse]

When you look at me
I don't know what to say

Your presence is
unforgettable
Congenial
Remarkable
Unforgettable
Congenial
Remarkable
Oh baby, baby

[Chorus]
Can't believe how beautiful you are
Everytime i hear your divine voice
My heart beats so fast
I live in an amazing world I feel
Myself at the top of clouds
Like an angel in a wide cotton
