Honey you're my addiction
I'm fallin for you babe
I don't know what to do

When i see you
I start actin like a fool
Your heart is mine
You make me lose my mind

[Chorus]
You're so kind and bright
Everyday is a holyday with you
Girl I'm livin' in happy world
I promise I'll take you any where
You're so kind and bright
Yeah Whoahh

[Part 2]
All the things you do
Makes my everyday brand new
You draw me in your heart
No one can tear us apart

When i see you
I start actin like a fool
Your heart is mine
You make me lose my mind

[Chorus]
You're so kind and bright
Everyday is a holyday with you
Girl I'm livin' in happy world
I promise I'll take you any where
You're so kind and bright
Yeah Whoahh

[VERSE]
My spirit set on you
My love is so true
I'll never get away
From you honey

X2

[Chorus]

You're so kind and bright
Everyday is a holyday with you
Girl I'm livin' in happy world
I promise I'll take you any where
You're so kind and bright
Yeah Whoahh
