[Part 1]

I don't care about you anymore  
You've lost my trust  
I believed what you said  
You meant a lot to me  
But no more forgiveness  
I regret loving you

If you were me you'd be mad  
You must see my real face  
How many days you made me sad?  
Imma show you my real face

[Chorus]

I was wrong for loving you  
I didn't think you could do  
Such a mistake

I was wrong for loving you  
What if I knew  
That you were a fool  
But that's my fault  
I was wrong for loving you

[Part 2]

You don't deserve the things I did for you  
I tried to keep this feeling but I couldn't  
I believed what you said  
You meant a lot to me  
But no more forgiveness  
I regret loving you

If you were me you'd be mad  
You must see my real face  
How many days you made me sad?  
Imma show you my real face

[Chorus]

I was wrong for loving you  
I didn't think you could do  
Such a mistake

I was wrong for loving you  
What if I knew  
That you were a fool  
But that's my fault  
I was wrong for loving you

[Bridge]

Them boys are chasin' you  
'Cause they don't know who you really are  
Someday everybody's will understand why  
I left you so cold  
Being with you was a waste of time  
From now we're enemies  
I know that you could do better  
To tell you the truth  
I was wrong for loving you

[Chorus]

I was wrong for loving you  
I didn't think you could do  
Such a mistake

I was wrong for loving you  
What if I knew  
That you were a fool  
But that's my fault  
I was wrong for loving you
