Your words make me feel, like I'm in a dream
All the time, all the time, all the time, all the time
Your words make me feel, like I'm in a dream
All the time, all the time, all the time, all the time

Feel my arms around you, feel my arms when I stare at
your girl
Every time I think of you, I catch my breathe, I'm gone
Your lips are so sweet and smooth, your eyes are so
bright and blue
I hold you inside my heart, just don't say goodbye,
yeah
Every time I think of you

Your words make me feel, like I'm in a dream
All the time, all the time, all the time, all the time
Your words make me feel, like I'm in a dream
All the time, all the time, all the time, all the time

Your presence, makes me loose my words
Your eyes makes me soul myself in
Feels like I'm in heaven
Baby hold my hand
Your lips are so sweet and smooth, your eyes are so
bright and blue
I hold you inside my heart, just don't say goodbye,
yeah
Every time I think of you

Your words make me feel, like I'm in a dream
All the time, all the time, all the time, all the time
Your words make me feel, like I'm in a dream
All the time, all the time, all the time, all the timjaskjnn
