[Chorus]

You're the only one i knew
I am suffrin without you
listen to me you're my boo
I love the way you talk to me
I feel like i'm deep in love
You made me blind
You made me blind
I feel like i'm deep in love
You made me blind

[Part 1]

Your absence hurts me
To be honestly
You succeed to change my spirit
Actually i need your presence
My passion is too high
Sadly i can feel the pain in my heart

How can i be so lost like that?
You entered so deeply in my head
Cause i can't stop thinkin of you
Don't you know that's too hard to resist

[Chorus]

I feel like i'm deep in love
You made me blind
You made me blind
I feel like i'm deep in love
You made me blind
Blind
Blind

[Part 2]

You're my favorite melody
Consequently
You deserve a heavenly
World with me baby
I miss you
My love is too high
So just come to me n never say goodbye

How can i be so lost like that?
You entered so deeply in my head
Cause i can't stop thinkin of you
Don't you know that's too hard to resist

[Chorus]

You're the only one i knew
I am suffrin without you
listen to me you're my boo
I love the way you talk to me
I feel like i'm deep in love
You made me blind
You made me blind
I feel like i'm deep in love
You made me blind

I feel like i'm deep in love
You made me blind
You made me blind
I feel like i'm deep in love
You made me blind
Blind
Blind
