Are we to bury the hatchet like you said?
Plaster on a fake smile and pretend...
It's the kid that should be put to bed... forever

Meet me on top of the mountain
Will you push me or will I push you?
Only room for one in your world of fun
That's something that I'd never do

Seems like I'm always always outnumbered.
I stand alone
Seems like I'm always always outnumbered.
I stand alone
Seems like I'm always always outnumbered.

Are we to bury the hatchet in your head?
Plaster on a fake smile and pretend...
You're the kid that should be put to bed... forever

Seems like I'm always always outnumbered.
I stand alone
Seems like I'm always always outnumbered.
I stand alone
Seems like I'm always always outnumbered.
I stand alone
Seems like I'm always always outnumbered.

Take Take Take Take Take Take Take Take Take
Take
Take Take Take Take Take
Until you're full cannot take anymore.
We'll be there to pick up the pieces when you leave
Take Take Take Take Take Take Take Take Take
Take
Take Take Take Take Take
(Take and take and take and take some more.)
Until you're full cannot take anymore.
We'll be there to pick up the pieces when you leave
Seems like I'm always always outnumbered.
I stand alone
Seems like I'm always always outnumbered.
I stand alone

Seems like I'm always always outnumbered.
I stand alone
Seems like I'm always always outnumbered.
