You had your reasons
I can't forgive
Too many memories
I can't forget

Did you feel no shame?
Did you feel no pain?

You believed your lies
Didn't you?
You thought you'd saved me
Didn't you?

You feel no shame
You feel my pain

I want to need you
I want to dream you
I want to find you
I want to be you
I want to help you
I want to tear you
I want to taste you
I want to be you

You took my belief
My dreams. And me?
This is my vengeance
My voice, I'm free

Did you feel no shame?
You feel my pain

I want to hurt you
I want to use you
I want to break you
I want to lose you
I want to burn you
I want to scar you
I want to bleed you
I will erase you
