I've seen all mine  
Falling, fall down  
Do you know?  
Do you know?  
Obscene, I followed  
I've seen some lies  
Do you know?  
Do you know?  
Sometimes  
I fall down  
To you now  
Do you know?  
Sometimes I feel  
Like I belong  
To you now,  
To you now  
And now sometimes  
It feels like I lie  
To you now  
Do you know?  
Do you know?

I feel nothing  
I feel no pain  
You can't hurt me  
You can't touch me

I'm not bleeding  
I am healing  
You will not steal  
My dignity

Sometimes I fail  
(Sometimes I know)  
She protects me  
(Some whores kneel down)  
She makes me feel  
(Do you know, do you know?)  
Humility  
(Do you know?)  
She made me clean  
(Sometimes I'm low)

She made me see  
(Sometimes you fall)  
All I could be  
(Do you know, do you know?)  
My sanctuary  
(Do you know?)
