While you are away
My heart comes undone
Slowly unravels
In a ball of yarn
The devil collects it
With a grin
Our love
In a ball of yarn

He'll never return it

So when you come back
We'll have to make new love

He'll never return it

When you come back
We'll have to make new love

While you are away
My heart comes undone
Slowly unravels

In a ball of yarn
The devil collects it
With a grin
Our love, our love,
In a ball of yarn

He'll never return it

When you come back
We'll have to make new love

He'll never return it

When you come back
We'll have to make new love

He'll never return it

When you come back

We'll have to make new love
