I guess I was hoping for too much
I guess I was wrong to see us part
Of something like a dream
Just like the night is falling
Over the young hearts and the stars
Are beacons of my love

You were my baby, you were the only one for me
'Cuz nothing compares this, to the miracle of love

I need your love, I need the miracle of love
I need your love, 'cuz baby, you're my only one

I need your love, I need the miracle of love
'Cuz baby, you're my only one, I need your love

Everynight I'm thinking about you
I was afraid of this moment without you
It was so good, it was a bit untrue,
With a Hollywood ending too

Everynight I'm thinking about you
I was afraid of this moment without you
It was so good, it was a bit untrue,
With a Hollywood ending too

I need your love, I need the miracle of love
I need your love, 'cuz baby, you're my only one

I need your love, I need the miracle of love
'Cuz baby, you're my only one,

I need your love, I need the miracle of love
I need your love, 'cuz baby, you're my only one

I need your love, I need the miracle of love
'Cuz baby, you're my only one,

I need your love, I need the miracle of love
I need your love, 'cuz baby, you're my only one

I need your love, I need the miracle of love

'Cuz baby, you're my only one, I need your love
