You're givin' me love that I've always wanted
Show me how you really care-are-are
And my reward to you baby
Is that I'll be there-ere-ere
You're givin' me love like a river overflowing
You give me joy and happine-e-ess
I wanna say thank you baby
For the loving feeling that you share-are-are-are-are

I thank you (for showing me the way)
I thank you (for love's harmony)
I thank you (things that you do)
I thank you (for always bein' you)

Mmm-hmmm-mmm-hmmm

There's something that I've been feeling
Feelin' like you're on a clou-ou-oud
And when I'm around you baby
The volume of the feelin' is lou-ou-ou-ou-oud
And my heart beats just like a drum
Look how far we've co-o-ome, so far, baby
I feel like you're never arou-ou-ou-ou-ound

I thank you (for showing me the way)
I thank you (for love's harmony)
I thank you (things that you do)
I thank you (for always bein' you)

Oh-oh-I, oh-oh-I-I-ee-I, I thank you
I-I-I-I, I-I-I, I-I, yeah-eah-eah

You show me love, you show me the way
You're showin' me love each and every day
You show me love, you show me the way
You're showin' me love each and every day
I-I thank you (you show me love), I do, I do (you show
me the way)
I-I-I-I (you're showing me love each and every day)

I thank you (for showing me the way)
I thank you (for love's harmony)

I thank you (things that you do)
I thank you (for always bein' you) (fade)
