Hey-ey-ey-yah, hoy-oy-oy-oy  
Hoo-hoo-hoo, hoo-hoo-hoo-hoo, Hy-y-y-hy

I refuse to tell you-ou any more-ore  
Because I told ya many times before-ore  
But you keep lipping those serious lies  
Givin' me those little boy alibi-ey-ies  
Sometimes keep rememberin' this  
It's my love that you're gonna miss - warning

This is a warning, red alert emergency  
This is a warning, keep your love away from me  
This is a warning, I know your every single move  
This is a warning, forget my love, I'm watching you

Hey-ey-ey, I can't understand it anymore (no more, no more)  
That's my body you-ou want to explore-ore  
But you keep tellin' me that it's not true  
And the way I feel is because of you (you-ou-ou)  
So stop treatin' me in this way  
My, my heart myself enjoys the play - warning

This is a warning, red alert emergency  
This is a warning, keep your love away from me  
This is a warning, I know your every single move  
This is a warning, be careful 'cause I'm watching you,  
hey-ey-ey, hey

Look out, we were good friends but you kept messin'  
up again and again  
This is my final warning to you (Yo, you tell it girl)  
I can't take it no more, I don't want it no more  
Come on boy, stay away from my door  
Please stay away from me, My final warning is to you  
(This is a warning, my final warning to you  
Warning, warning, hey, hey, warning  
(This is a warning, my final warning to you)  
This is my warning, my final warning to you, hey-ie, hey  
This is a warning, my final warning to you

This is a warning, red alert emergency

This is a warning, keep your love away from me  
This is a warning, I know your every single move  
This is a warning

This is a warning, red alert emerg
