I know I'm headed nowhere
In such a hurry to get there
I know I might be wrong
But just don't fuckin' care.
I can't begin to follow
Your rules I cannot swallow
Every chance I get.

Things are so damn complicated
Something always in the in the way
It's easy to be lost and scared and jaded
When you've been to hell and back

It's hard
To be good
When it's easy to be so bad

It's hard
To be good
When it's easy to be so bad

I do what I shouldn't be doin'
But yet I keep pursuin'
I'll take the shortest road to disaster
That awaits me

Things are so damn complicated
Something's always in the way
It's easy to be lost and scared and jaded
When you've been to hell and back

It's hard
To be good
When it's easy to be so bad

It's hard
To be good
When it's easy to be so bad

I know I'm headed nowhere
In such a hurry to get there
I know I might be wrong

But just don't fuckin' care

It's hard
To be good
When it's easy to be so bad

It's hard
To be good
When it's easy to be so bad

It's hard
To be good
When it's easy to be so bad

It's hard
To be good
When it's easy to be so bad
