We don't really like the sun  
It makes us wanna hide and run  
Yeah it makes us wanna run and hide  
But we'll be comin' out tonight

We burn! Burning in Chicago  
We burn! London and L.A.  
We burn! Utah and Toledo  
We're the sunburn kids and we burn every night and  
day  
And we're gettin' sunburns no matter what the people  
say

Yeah we'll be comin' out tonight  
Clothes all black and skin all white  
We'll meet some place that's really dark  
Like a parking garage or a city park

We burn! Burnin' in Chicago  
We burn! London and L.A.  
We burn! Germany and Reno  
We're the sunburn kids and we burn every night and  
day

And we're gettin' sunburns no matter what the people  
say

We burn! x9 Scotland and Hawaii  
We burn! Florida and Sweden  
We burn! Arkansas and Russia  
We burn! Fresno and Modesto  
We burn! Kansas and Jamaica  
We burn! Africa and China  
We burn! Burnin' in Chicago  
We burn! San Fransisco Bay  
We burn! Iceland and Toledo  
We're the sunburn kids and we burn every night and  
day  
And we're getting Sunburns no matter what the people  
say  
Yeah we're the sunburn kids and we burn every night  
and day

And we're getting Sunburns no matter what the people  
say
