Couples swaying uncertainly (???)
I feel as much the same for you and me
Rosetta fading on my wall
Two years too late, I know
I've lost you all to my ballroom

In my ballroom
In my ballroom

Walking you home through rain-kissed streets
If only you'd crush me, like you crushed these feet
I tip my hat now to the band (Play more...)
We've danced in sawdust
Until you understand my ballroom

I want to take you home
I'm getting tired of dancing alone

In my ballroom
In my ballroom
In my ballroom
In my ballroom
