There you stand with a rose  
In your painted hand  
And here I lie  
I do not quite understand  
You give me flowers and I give you hell  
Is that what you want?  
You give me everything  
I can not tell quite what I want

I've been falling, falling for you  
Quite sedately  
I've been falling over myself  
Not just lately  
I'm getting tired  
Of falling in love  
When I do it's always with someone  
Someone like you

I'm getting tired of falling from skies  
High above me  
I'm getting sick trying to disguise  
Constantly  
You give me things, I cannot (???)  
'Cause that's what you want  
I give you everything, please do not tell me what I want

I've been falling, falling for you  
Quite sedately  
I've been falling over myself  
Not just lately  
I'm getting tired  
Of falling in love  
'Cause when I do it's always with someone  
With someone like you

Someone like you  
Someone like you  
Someone like you  
Someone like you

I'm getting tired of falling in love

'Cause when I do, it's always with someone  
Or someone like you  
I'm getting tired of falling in love  
'Cause when I do it's always with someone  
With someone like you
