I'm tripping into the back of my mind  
And your words like angels crash inside  
And a word and a movement and a touch  
And a word and a movement and it's all too much  
It's all too much

I never understood what it meant to be  
I never understood what it meant to be misunderstood  
And even if I did, I don't think I'd care less  
And even if I did, I don't think I'd care less

You're so beautiful  
You're so beautiful  
You're so beautiful

I want to drown beneath the waves  
I want to dig myself a shallow grave  
And hold you up for all to see  
I want to cut you up, I want to watch you bleed, ever so  
slowly

You're so beautiful  
You're so beautiful  
You're so beautiful  
You're so beautiful

I can't follow what I don't believe in  
I can't follow what I don't believe in  
And that's why there's nothing left of me  
'Cause I don't believe in you

You're so beautiful  
You're so beautiful  
You're so beautiful  
You're so beautiful  
Doo-doo-doo-doo, you're my homeboy, you're my  
homeboy  
Doo-doo-doo-doo, you're my homeboy, you're my  
homeboy  
Beautiful  
Oh god, you're so beautiful
