I know I'm losing my appeal
'Cause I was hung, drawn and quartered before my
trial
And every single thing that's not real
Was put before the jury without the privilege of denial

Every single word that I said
Was written down and then misread
Now I find myself alone
I'm accused of being someone that I do not even know

You, you are my kangaroo court
I, I am your kangaroo
You, you are my kangaroo court
And I, I'm just your kangaroo
Your kangaroo
Your kangaroo

Jump to it

You, you are my kangaroo court
I, I'm just your petty little kangaroo
Please catch me darling

Kangaroo court

Your kangaroo
I'm your kangaroo
Your kangaroo
I'm your kangaroo
Your kangaroo
