

## Adorable "Submarine"

I'd like to be alone  
Away from your port of stone  
But your lighthouse is calling out  
You, coming up for air  
Have locked on to my distressed flare  
Run aground, all hands going down

You are like a submarine  
Gliding under me  
And you hounded me out, you hounded me down

Though your submarine is out of sight  
Still you're haunting me like the harbour lights  
Though your submarine is out of sight  
Still you're haunting me  
Though your submarine is out of sight  
Still you're haunting me like the harbour lights  
Though your submarine is out of sight  
Still you're haunting me

I could not lose you  
Even if I choose to

Hear your sonar call, under my hull

You are like a submarine  
Tracking onto me  
And you hounding me out, you're hounding me down

Though your submarine is out of sight  
Still you're haunting me like the harbour lights  
Though your submarine is out of sight  
Still you're haunting me  
Though your submarine is out of sight  
Still you're haunting me like the harbour lights  
Though your submarine is out of sight  
Still you're haunting me

Though your submarine is out of sight  
Still you're haunting me like the harbour lights  
Though your submarine is out of sight  
Still you're haunting me
