[Intro: CL Smooth]

"To bring you down"

Bust it off

"To bring you down"

Uh make shot one time for the Mecca don

"To bring you down"

and the Soul Brother #1

"To bring you down"

Y'all get done with the YG Menace II Society

"To bring you down"

Feel the real steel, the hot metal

"To bring you down"

"To bring you down"

[Verse 1: CL Smooth]

It's the Killa Bee, kill rugged, skill vest often

And land your fuckin asses in a coffin, what

You see cold steel, you niggaz wanna mill'

Like Shaquille, O' Neal

Bullets are real, cock it back and then I peel off

Fuck the kamikaze Mecca is on the shotty hottie

The cops are runnin white chalk around your dead  
body

Abandon ship, niggaz are ready to flip and bag a punk

They can't fight next night, twisticalism by your  
gravesight

[Verse 2: Kenny]

Over, yes you over six feet under

You see, I'm not at ease you're diseased

A reason for the treason, hunt season

I'm from rabbit ordeal

Where niggaz kick the beer loungin' off block

Till the early morn', word is bond, another brother gone

Would've been bullshit, quick talkin with nines and  
banana clips

For million with bloodshed, the color red, two through  
the fuckin head

Man you're dead, Death Becomes You

[Hook][8X]

"So listen" - Slick Rick  
"To bring you down"

[Verse 3: CL Smooth]

Infrareds locked on ya heads here come the feds  
Freeze now when I squeeze hot metal breeze  
Right through your arteries to bring you to your knees  
I think he's dyin' black  
I got the track to send you silly ass niggaz back  
Snatch ya hoe stab ya pimp and watch him limp away  
I fiend luchi till I'm fucked up old and gray  
Hey dog I send you to the morgue  
I'm from the Vernon ville blood spills shells drop

[Verse 4: Kenny]

And when it go pop-pop my glock hit that niggaz nut  
Cause I'm one of the hard ox's smokin' motherfuckers  
like crack rocks huh  
So back up, be ghost when I keep my toast Murder She  
Wrote yo  
Fully equipped with this death blow, flippin'  
Because I'm on the level like the rebel crazy bodies and  
tombstones  
Straight to the devil nigga light in ya bed's right  
Because ya tune from me let miss due  
Strictly nigga Death Becomes You

[Hook][8X]

"So listen"  
"To bring you down"

"So listen to what we say because this type a shit it  
happens everyday"

[Verse 5: Cl Smooth]

No resurrection with protection slay cut up in the  
blender  
Just like Mohammed blowin' up the World Trade Center  
The hellraiser burner blazer stressin' major caution  
See the Mecca Don swirvin' a tongue like Jordan  
Anything you cherish I perish, I'm here to roll  
And now your bucks are big, and let out ya asshole  
Gun smoke when the hood is broke and need the  
riches  
Cause all this nigga want is more dough and more  
bitches

[Verse 6: Pete Rock]

Buck-buck-buck-buck rat-tat-tat I'm on a mission nigga  
I shoots to kill when I pull the motherfucking trigger  
I'm sick in the head I'm crazy I'm fuckin' wild

I swear to God I come from the P now  
I'm Menace like Dennis so don't try to play me close  
I wave my gun in the air yo I don't fuckin' care  
It's Pete Rock on the mic check one, two  
I got the glock nigga, Death Becomes You
