We tried and we tried but it's over
Guess I didn't fit the image in your life
Now you tell me to find another lover
Oh but baby aren't you getting out of line

Don't tell me what to do.
You've already said we are through
I'm a page that you have turned
I'm no longer your concern
So don't tell me what to do
I'll love you forever if I want to

You're no longer in charge of my thinking
You're already in love with someone else
So if I'm into all that honky-tonking

Well I'm a big girl I can take care of myself

So don't tell me what to do
You've already said we are through
I'm a page that you have turned
I'm no longer your concern
So don't tell me what to do
I'll love you forever if I want to

So don't tell me what to do
You've already said we are through
I'm a page that you have turned
I'm no longer your concern
So don't tell me what to do
Well I'll love you forever if I want to
