My eyes may be hollow  
And my face may be pale  
I maybe just a shadow  
Of my former self

But tonight the ghost of heartaches past  
Is steppin' into town  
Well, I'm gonna haunt the places  
Where we used to hang around

Draggin' my chains  
Draggin' my chains  
Well, I'm movin' in slow motion  
But it's motion just the same

Pullin' the weight of yesterday's pain  
Well, I may not be free yet  
But I'm draggin' my chains

Some chains are made of gold  
And some chains are made of steel  
Just 'cause you can't see these chains  
Don't mean they're not real

Until I find the weakest link  
In your memory, yeah  
And I'll be a prisoner of your love  
Just dyin' to break free

Draggin' my chains  
Draggin' my chains  
Well, I'm movin' in slow motion  
But it's motion just the same

Pullin' the weight of yesterday's pain  
Well, I may not be free yet  
But I'm draggin' my chains

Draggin' my chains  
Draggin' my chains  
Well, I'm movin' in slow motion  
But it's motion just the same

Pullin' the weight of yesterday's pain  
Well, I may not be free yet  
But I'm draggin' my chains

Well, I may not be free yet  
But I'm draggin' my chains
