IF I DIDN'T LOVE YOU

WRITERS TINA ARENA, PAM RESWICK, STEVE WERFEL

So good When it's good I wanna spend my whole life
lovin' you
But I'm tired And you don't know how close I've come to
leaving you
You try my patience And you race me to the wire It
takes every ounce of my will and desire
If I didn't love you If I didn't love you like crazy If I didn't
love you baby As much as I do
I'd just walk out the door I couldn't take it anymore I
wouldn't put up with what you put me through
If I didn't love you
It's hard But you won't give up 'till you Push me to the
wall But I know You're the only one who'll be there for
me
When I call (oh yes you will) I can't help believing That
it's worth it somehow Cause I've worked too damn hard
To wanna give up now
If I didn't love you If I didn't love you like crazy If I didn't
love you baby As much as I do
I'd just walk out the door I couldn't take it anymore I
wouldn't put up with what you put me through
If I didn't love you If I didn't love you Nah, If I didn't If I
didn't love you like I do
When you love someone Nothings black or white When
the riptide runs There's no wrong or right
I'll sail with you but I'll refuse to drown So don't you
take me down, down Take me down down Don't you
take me down, down, down
If I didn't love you If I didn't love you I'd walk out that
door I don't need it anymore
Need to put up with what you put me through If I didn't
love you If I didn't love you If I didn't love you
If I didn't love you like I do I'd walk out that door I'm not
comin' back no more No more
