I hope that the friend you've thrown yourself with  
Gets drunk and loses her job  
And ever road you're walking on gets cold rocky and  
hard  
I couldn't make you love me, you only made me blue

So all in all if the curtain should fall  
I hope that it falls on you  
I hope that it falls on you

Well, I hope that the train from Caribou Maine  
Runs over your new love affair  
You walk the floor from door to door and pull out your  
peroxide hair  
I never was your woman 'cause you were never true

So all in all if the curtain should fall  
I hope that it falls on you

And I'll have sweet, sweet, sweet mental revenge  
I'll have sweet, sweet, sweet mental revenge, oh yeah  
I never was your woman 'cause you were never true

So all in all if the curtain should fall  
I hope that it falls on you

And I'll have sweet, sweet, sweet mental revenge  
I'll have sweet, sweet, sweet mental revenge  
I'll have sweet, sweet, sweet mental revenge, oh yeah
