Sweetheart's dance, that's what we do  
The two heart two-step baby, that's me and you  
Sweetheart's dance round and round  
Make out in the corner  
Lover's quarrel, sweetheart's dance

Sometimes babe I hate you 'cause my love's so strong  
And then you make me feel so right  
I think it must be wrong  
You move me, you move me  
This love don't make no sense  
We make each other crazy baby  
And dance the sweetheart's dance

Sweetheart's dance, that's what we do  
The two heart two-step baby, that's me and you  
Sweetheart's dance round and round  
Make out in the corner  
Lover's quarrel, sweetheart's dance

Love sets us in motion and gets down around our feet  
We're living to the rhythm of our hearts together  
beating  
I love you, I love you, let me whisper in your ear  
Let me kiss you on the shoulder honey  
Let me hold you near

Sweetheart's dance, that's what we do  
The two heart two-step baby, that's me and you  
Sweetheart's dance round and round  
Make out in the corner  
Lover's quarrel, sweetheart's dance

Got your hand in my back pocket  
Got your eyes all off in space  
How 'bout we just get out of here  
And find a quiet place

Sweetheart's dance, that's what we do  
The two heart two-step baby, that's me and you  
Sweetheart's dance round and round  
Make out in the corner

Lover's quarrel, sweetheart's dance

Make each other crazy

Dance the sweetheart's dance
