Speakiing of the devil
Look who just walked in
He knows just where to find me
Here we go again
I can tell he's gonna ask me to dance
But that's not as far as he wants to go
I need ten thousand angels
To help me tell him no
(Chorus)
Lead me not into temptaition
Hevan help me to be strong
I can fight all that I'm feelin
But I can't do it alone
Help me break the spell that I'm under
Guide my feet and hold me tight
I need ten thousand angels
Watchin over me tonight

It's time to face my weakness
Look at me I dare
Lord knows it won't be easy
But I've just got to try
I can't let myself get lost in his arms
That's how I got my heart broke before
I need ten tohusand angels
To walk me out the door

Chorus

I need ten thousand angels
Watchin over me tonight
Ten thousand angels, watchin over me tonight
Ten thousand angels, watching over me tonight
Ten thousand angels, watchin over me tonight
Watchin over me tonight
