"Tired Man"

Don't forget it, what's yours and mine
I will be strong for you, some other time
I'm a tired man, give me just a kiss tonight
I'm a tired man, say it's all right, all right?

Don't forget it, I've got nothing to say
These eyes are closing now
I've got nothing to say
Here comes the other world
I'm this tired man, give me just a kiss tonight
I'm this tired man, say it's all right, all right?

Don't forget it, what's yours and mine
I will be strong for you, some other time
