My girl keep calling my phone
And I don't even wanna answer right now
If she knew what I was doing in this bed
She could have a heart attack right now
I met a chick up in doa
Saying she wanna live here with me
In the W a quarter past three
She's telling me she's a certified freak
It's crazy how she worked that back
The way she worked that back
I can feel, oh shorty put it on me like that
Girl, tonight she ain't ... to buy the city

I'm a temptation, give you sensations
Nobody has to know
Girl I swear you got a nigga caught up
Fuck around and get me caught up
You know I got a girl at the crib
When I see her I just wanna get it in
You got me caught up

Been at it for a week by now
Matter of fact we in the sheets right now
Too late for me to turn back
'Cause I'm in too deep right now
She got me creeping all late at night
How can something so wrong feel right?
... her body's so tight
She let me kiss it anywhere I like

It's crazy how she worked that back
The way she worked that back
Yeah, shorty, put it on me like that
... your name ... buy the city
I'm a temptation, give you sensations
Nobody has to know
Girl I swear you got a nigga caught up
Fuck around and get me caught up
You know I got a girl at the crib
When I see her I just wanna get it in
You got me caught up

Iâ'm a temptation, give you sensations
Nobody has to know
Girl I swear you got a nigga caught up
Fuck around and get me caught up
You know I got a girl at the crib
When I see her I just wanna get it in
You got me caught up
