I finally found the words to say  
See, Iâ€™m a little faded so excuse my feelings  
Girl, you know I think about you every day  
I ainâ€™t gonna lie, Iâ€™m so caught up in my feelings  
We know that roses are red  
Time the blues get the violets and splash a whole heart  
instead

Since Iâ€™ve been waiting  
Since Iâ€™ve been waiting for you  
Itâ€™s a habit, my love I canâ€™t get over  
When you walk down on me  
I regret the day you told me it was over  
Wonâ€™t you come back to me?

Reminiscing ainâ€™t good for me now  
But no, Iâ€™m thinking about the time that I spent with  
you  
Probably somewhere with another nigga  
This is me, and this is how I wanna picture it to be  
Let me have the crazy girl, Iâ€™m thinking shit up  
Almost second bottle, I need to slow up  
Set my mirror up on my wall  
Said itâ€™s too many women for me to have this  
withdrawal  
But I canâ€™t stop waiting, no  
Oh, I canâ€™t stop waiting

Itâ€™s a habit, my love I canâ€™t get over  
When you walk down on me  
I regret the day you told me it was over  
Wonâ€™t you come back to me?

Weâ€™ll fight the pain  
Girl you promised me I could always depend on you  
Whenever time is rough I would always just lean on you  
Why you wanna hurt me so  
When I canâ€™t let go

Itâ€™s a habit, my love I canâ€™t get over  
When you walk down on me

I regret the day you told me it was over  
Won't you come back to me?

Come back, baby  
Come back, girl
