I'm coming to get you  
I'm coming to find you  
Say 'hello' to your new best friend  
Blank eyed, nose bleed  
Blank eyed, nose bleed  
Wouldn't it be nice to go to a party  
And be the only one there  
Blank eyed, nose bleed  
Blank eyed, nose bleed  
I've been working on increasing my anxiety

It's something I can do for free  
Blank eyed, nose bleed  
Blank eyed, nose bleed  
Seconds moving forward  
Second moving backward  
Seconds moving forward  
Seconds  
Seconds moving forward  
Second moving backward  
Seconds moving forward  
Seconds
