Evil source ov  
Mighty curse  
Everyone was scared

Lost faith  
Without a trace  
But it's not forever

Our grandeur will arise again  
Our enemies will kneel and pray

The Empire is on fire

Raising up  
Never stop  
Spreading every way

Our faith  
Is leading us  
We came back and we'll stay

Our majesty will grow  
Our enemies must fall

The Empire is on fire

We're in the center  
We are the base  
Directing the whole world  
Organizing the space

Widening our wisdom  
Becoming higher  
In every reason  
We are the empire!
