"Fireworks"

Welcome into my sweet diversion
Tell me stories of love in your life
And I am lost yet
You claim I'm searching
Quite what for
I have yet to work out
If I'm wrong
And everything is wrong

Welcome into my sweet confusion

Tell me stories of strength in your life
And I am weak yet
You claim I'm searching
Quite what for
I have yet to work out
If I'm wrong
And everything is wrong

Can I blame fireworks that
Burn over your town
