Sounds ov revolt are a chaos beat  
Earthquake is tramping ov thousands of feet  
A roar ov a crowd is a myriad ov words  
It's the song ov a forthcoming storm!

A thunder is echoes ov my cries  
It makes me stronger  
My heart is open within the ancient winds.  
They're blowing away from me -  
GROM!

The cleansing darkness is above you and me -The  
noisy vision ov the lightnings.  
Clangs ov sky-swords and a battle ov shields  
Roaring louder, do you hear it's yowls?

The thunder echoes all my cries  
It makes me stronger  
My mind is open with an ancient will  
It's speaking out, far away from me -GROM!

I shout - the storm seconds me  
Let the tempest burst forth  
Opening my embrace to the winds  
I have started the changes on my own
