

Aer "Shot Clock"

Visit "[Shot Clock](#)" on [MotoLyrics.com](#)

[Intro: David]

We keep it movin and provin this is what we got
Get with the movement thats been doin it and got it lot
Just find a girl, dance her up, show her all that you have
Cuz its one life for one love

[Verse 1: David]

We get the party bumpin better than your whole fuckin
school
If you got weed and you got drinks
Then we gon do what we do
Im bangin speakers, rep the fam and sip on my jungle
juice
Its the fresh aer movement

[Verse 2: Carter]

Yeeeahh even though there ain't a lotta fresh air in the
club
we can rage up throw up our hands like nothin
Bottoms up so I got another drink comin
dancin on a brothas girl our legs keep rubbin make it
A double no trouble and the fun'll begin,
drinkin' all the bubbles till the sun up again
Breakin' up couples always in it for the win,
do it big tell your friends, soul in it till the end

[Hook]

It's the fresh aer I guess its just not fair It's the fresh
aer (x4)
I guess its just not
We got it on lock its all 'bout time (x4)

[Verse 3: David]

Rock shows, hot flows, im gone, Shot clock,
24 seconds im fucked up, Your girls get robbed in my
Shows She told, you already know Im coastin drivin in
slow

Turn up my song and watch Thermometers go
Fresh Aer Movement Shouts to griff
