Carter Â-

IÂ'm a part of a motivated movement, hop up in the  
FAM if youÂ're for improvement,  
some by the pool, mixing drinks, straight coolinÂ',  
While otherÂ's are struggling, just to be a student,  
uncover the bright side, itÂ's always time for that,  
no more running kids with AKÂ's strapped to back,  
IÂ'mma reach my inked out arm to help, donÂ't think  
that itÂ's all gone to hell,  
Look ahead, look to the future, sew up them sutures,  
mend the world,  
pick up the loser, put down the uzi, headlines lined with  
crime alerts,  
some of the sickening things that are happening come  
from the lack of respect,  
itÂ's all big heads, yeah weÂ're doing well, pick up the  
slack and take on whatÂ's next

Chorus Â-

Songbird, it's takinÂ' longer,  
I see the ego in the people get stronger,  
A week or lifetime, to see the right signs,  
So let's remind every mind were the same people past  
the front line,  
Even past the guns drawn, worries and our failures,  
everyone is one kind

Verse 2 Â- DonÂ't let that ego get in the way, donÂ't  
make people think that youÂ've gone and changed,  
IÂ'm a self made man, thatÂ's right, still the damn  
same, but IÂ'm on the tracks to a louder life,  
and IÂ'm fortunate enough to have that income coming  
in,  
we hold it down and stay grounded, some of yÂ'all just  
hovering and go!  
Focus on a mind outside your own,  
never change for anyone at all

Chorus -

Songbird, it's takinÂ' longer,

I see the ego in the people get stronger,  
A week or lifetime, to see the right signs,  
So let's remind every mind were the same people past  
the front line,  
Even past the guns drawn, worries and our failures,  
everyone is one kind
