Damaging thoughts
Global wars
All for the price
To live like whores
Useless deaths
Worthless world
Everyone to control it all
Nothing here
In this pit
With our corrupt minds
Now they come
For us all
To gain power
Our our lives

Chorus: 4x
Butchers

Fucked up lives
Live in fear
From the ones
That we destroy
We are free
In this land
Free to let them sell our lives
Just their cattle
In the field
Waiting for our number to come
Sitting back
Being killed
For this place they don't care about

Chorus: 4x
Butchers

Breakdown: 2x
Wait in line
To be called
Mutilated
For our country
It is right
Makes us free

Americans

Chorus: 4x

Butchers
