You come
And destroy what you want
To make it how you like
Tear down everything we made
To put it how you like
No remorse for the people you kill
No thoughts for their close ones
There is only one thought on your mind
Destruction

Chorus: 1x
We create
You destroy
Everything you could ever want
Creation
Destruction
With your money and politics

Organize
Extreme chaos to ones
Fight for their right to live
But you don't care what they want
As long as you can destroy
Reckless with death showers
You aim it at the helpless ones
To accomplish your goals
Destruction

Chorus: 2x
We create
You destroy
Everything you could ever want
Creation
Destruction
With your money and politics

Breakdown: 1x
Creation
Destruction
Kill us all
Creation
Destruction

No other choice

Chorus: 2x

We create

You destroy

Everything you could ever want

Creation

Destruction

With your money and politics
