Our political system
Is worthless rules
They are used to make us
Their petty tools
There is no reason
They just want power
So they can control the world
At the end of the hour

Chorus: 2x
Liberate your lives
And be set free
We are not your lamb
In this world of greed

They go to war
To help us all
But they truly
Make the world fall
Kill innocent lives
To keep peace
They say that helps
to keep peace

Chorus: 6x
Liberate your lives
And be set free
We are not your lamb
In this world of greed
