Get up

Don't believe  
What you see  
Only trust  
What you believe  
Secret shit  
They hide from us  
To keep us  
Trusting in them  
Sending troops  
To win wars  
Gain control  
Of the world  
Kill us all  
One by one  
So they  
Have domination

Chorus: 2x  
We don't care what  
Any of you want to do  
We won't sit back  
And let you kill us too

Destroy us  
Human kind  
Watch us die  
For your pleasure  
Treat us  
Like sick dogs  
In the cage  
Under control  
Our god  
Dictate death  
Telling us  
What we live for  
No more  
Mass suicide  
Brought down  
By our system

Chorus: 2x  
We don't care what  
Any of you want to do  
We wont sit back  
And let you kill us too

Breakdown: 1x  
You can't believe everything you see  
You can't believe everything you see  
You can't believe everything you see  
You can not believe

Chorus: 2x  
We don't care what  
Any of you want to do  
We wont sit back  
And let you kill us too
