I will fucking be
I can fucking see
All the fucked up shit
Not allowed to see
Global domination
Is your first priority
Drag us along just for fun
To sacrifice our bodies
Bitch
Kill us all for fun and games
Now we show you our game
Grab your fucking throat
Pray to your abandoned god

Chorus: 2x
It will all come crashing down
On everyone
Its going to be
The end of time

Interlude: 1x
The fucking end is here

I will fucking be
I can fucking see
All the fucked up shit
Not allowed to see
Global domination
Is your first priority
Drag us along just for fun
To sacrifice our bodies
Bitch
Kill us all for fun and games
Now we show you our game
Grab your fucking throat
Pray to your abandoned god

Chorus: 2x
It will all come crashing down
On everyone
Its going to be
The end of time
