I always thought that I'd move further from  
Further and further and further and even further from  
The very people closest to me  
I see these in daydreams

And like so many other things  
It happened, slowly happened, slowly happened  
And without notice I've become someone who's out of  
reach  
I'm as much to blame

But I don't want to sound as though I'm wishing  
Always wanting, always hoping  
I had not made the choices I have made, but what's in  
that?  
One is gained, one lost

And still to say I've made grave mistakes  
And every upon, every upon, every  
I think about and hope it's all worked out to either end  
What acts, what cost

Cannot be destroyed with a friend's ring at the side  
Don't break ties that hold them round the ring  
Cannot be destroyed with a friend's ring at the side  
Don't break ties that hold them round the ring

Cannot be destroyed with a friend's ring at the side  
Don't break ties that hold them round the ring  
Cannot be destroyed with a friend's ring at the side  
Don't break ties that hold them round the ring

Don't break  
Don't break  
Don't break  
Don't break

Don't break  
Don't break  
Don't break  
Don't break  
Don't break
