Every day is brand new day I'm telling you what I have
to say I don't care what your sister said she's the
one pilled in the head not me I don't cut myself to
see how much it bleeds I do it for the need to succeed
in life I thank Jesus Christ for making my life worth
living for you don't like the way I dress there's the
door just another tally to my score.

Ha bringing it at you one more time no nursery rhyme
it's a crime I guess its time to do a line yeah I'm
sick but I'm still in school don't be a fool dropping
out isn't cool don't go where I've gone Ill set you
straight so party on Don't lie to yourself you are
worth living that's why I'm giving you a way to express
yourself How are you feeling today the song is called
new day.
