

Afrodite "Never Let It Go"

Visit "[Never Let It Go](#)" on MotoLyrics.com

Surrounded by sharp-looking eyes
Dancing in the fever
Forgetting all the words of advice
Moving in and closer

What a life we have
What a life we live
And it's smiling right at us
What a life we share
Gonna get it there

So, never let it go
Never stop till you know
We'll be reaching for the top tonight
Surrender to the beat up and down
In the heat we'll be shaking, shaking

So, never let it go
Never stop till you know
We'll be reaching for the top tonight
And when the night is over
I'll take you in my arms now

Blinded by the scent of your love
Sailing on this feelings
And my mind is high up above
I don't know if I'm dreaming

What a life we have
What a life we live
And it's smiling right at us
What a life we share
Gonna get it there

So, never let it go
Never stop till you know
We'll be reaching for the top tonight
Surrender to the beat up and down
In the heat we'll be shaking, shaking

So, never let it go
Never stop till you know

We'll be reaching for the top tonight
Surrender to the beat up and down
In the heat we'll be shaking, shaking

What a life we have
What a life we live
And when the night is over
What a life we share
Gonna get it there
I'll take you in my arms

So, never let it go
Never stop till you know
We'll be reaching for the top tonight
Surrender to the up and down
In the heat we'll be shaking, shaking

So, never let it go
Never stop till you know
We'll be reaching for the top tonight
And when the night is over
I'll take you in my arms now

So, never let it go-acap
