As I lay here on the wet grass  
I watch the crystal-clear night sky  
And play connect-the-dots with the stars.  
Tracing images of a past that I must leave behind.  
Memories unfold before me like a movie with you as  
the antagonist.  
I watch as you played your games,  
You played me for a fool.  
Like a knife pushed deep through my ribcage.  
Fade to black.  
Why did you make me an accessory?  
Why was I pushed to the periphery?  
Like a knife pushed deep through my ribcage.

You caused this heart break.  
The pieces cut deep, forever scarring me.  
No amount of time will piece together my shattered  
glass heart.  
No amount of time will fix this heart, it's broken.  
I can't have you.  
I don't need you.  
I don't want you.  
But I miss you...
